

02.03. Sing A Happy Song! (Jack solo)

Jack: When you're scared or just a little blue
I'll sing a happy tune like this to you

Fright or fear; it's just a state of mind
It happens all the time 'n' you come out fine!

Those ghosts and Ghouls and Skeletons
Can do no harm if you sing a happy song!

(whistle)

Sing a happy song!
