Spinning out on what to say
or what to do
Finding reasons for my constant
change in mood
Said I'll see it to believe it, but who
knows the actual truth?
'Cause I'm sure now, I'm sure

'Cause days blend to one when I'm
on the right beaches
And the walls painted white,
they tell me all the secrets
Don't wait for the tide just to dip
both your feet in
…….I'm sure

Ahh…
Ahh…

(Solo singer sings 2nd verse)
Ahh…
Ahh….. me a peace of mind
Cause I'm sure now, I'm sure

'Cause days blend to one when I'm
on the right beaches
And the walls painted white,
they tell me all the secrets
Don't wait for the tide just to dip
both your feet in
…….I'm sure

some days,
I'm afraid to fall down
But I understand the coming
outcome,
pick it up if I allow it
Can't help it, can't help

(Solo singer starts chorus)
And the walls painted white, they
tell me all the secrets
Don't wait for the tide just to dip
both your feet in
…….I'm sure

…days blend to one when I'm on
the right beaches
