

Walking in the Air

We're walking in the air
We're floating in the moonlit sky
The people far below
Are sleeping as we fly

I'm holding very tight
I'm riding in the midnight blue
I'm finding I can fly
So high above with you

(holding very tight)
(riding in the midnight blue)

<short interlude>

On across the world
The villages go by like dreams
The rivers and the hills
The forests and the streams

(on across the world)
(villages go by like dreams)

[Bridge]

Children gaze open-mouthed
Taken by surprise
Nobody down below
Believes their eyes

We're surfing in the air
We're swimming in the frozen sky
We're drifting over icy
Mountains floating by

(surfing in the air)
(swimming in the frozen sky)

<short interlude>

[Bridge]

Suddenly swooping low
On an ocean deep
Rousing up a mighty monster
From his sleep — — —

We're walking in the air
We're dancing in the midnight sky
And everyone who sees us
Greets us as we fly

Oooh
Oooh
Oooh — — — (fade)
